

Habeebah Jamiu

Visual Designer

HGX

ABUJA, NIGERIA

ABOUT ME

I am a creative and versatile visual designer with expertise in graphic design, motion design and word processing. Skilled in using creative design principles to produce visually appealing content that effectively communicates ideas and information.

WORK EXPERIENCE

Paths University - Clayton NC, USA

Lead Designer - Remote

I worked on the creation of social media designs for the company's online web to boost the visibility and awareness.

Nurul Islam Walhudah Aminnabillahi - Abuja, Nigeria

Lead Designer & Creative Director

I worked on the creation of brand identity design, social media designs, motion graphic and word processing documents, to boost the brand online presence and contributed ideas for digital marketing.

North South Business School (NSBS) - Lagos, Nigeria

Lead Designer & Word Processor

I worked closely with the marketing team to create designs and word processing documents, resulting in a more cohesive and professional visual identity.
